Chuck Reed

TO: City Council

FROM: Mayor Chuck Reed

SUBJECT: Approval of reappointments to the
Downtown Parking Board

DATE: April 25, 2007

Approved

RECOMMENDATION

It is recommended that the City Council approve the following reappointments to the Downtown Parking Board:

- Elizabeth Monley, at large;
- Diana Beechie, representing private parking lot owners; and
- Troy Tibbils, representing the Downtown Association.

BACKGROUND

Downtown parking is essential to creating a thriving downtown where residents, visitors, and the San Jose community live, work and play. The Downtown Parking Board was established to help coordinate the City's Downtown Parking Programs and increase its effectiveness. The board serves as a forum for the public discussion of downtown parking issues, and it reviews, studies and develops recommendations to the City Council and Redevelopment Agency Board on Downtown Parking Program. The Parking Board is vital to development and planning of successful parking strategies for Downtown, as they developed the 2001 Downtown Parking Management Plan and recently completed an update to this plan with effective community involvement.

These reappointments are necessary to ensure a broad representation of community members and stakeholders on the Downtown Parking Board. All three board member terms expire June 30, 2007.
